### **FOURTH SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT**

Mail Stop Amendment  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, Virginia 22313-1450

Sir:

This Information Disclosure Statement (IDS) is filed in the application identified above pursuant to 37 C.F.R. § 1.56. The cited reference disclosed herein was originally submitted in the IDS filed on June 20, 2005, and was correctly listed as U.S. Patent No. 4,186,745, but was accredited to the second-named inventor "Kauzlarich." A PTO Form 1449 is submitted herewith listing the first-named inventor "Lewis." Pursuant

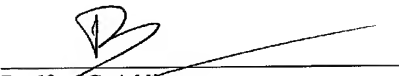

to 37 C.F.R. § 1.98(a)(2)(ii), a paper copy of U.S. Patent No. 4,186,745 is not provided herewith.

No representation is intended that a complete search has been made of the prior art or that no better art references than the reference cited in the IDS are available. The filing of this IDS shall not be construed to be an admission that the information cited in the IDS is, or is considered to be, material to patentability as defined in §1.56(b).

The cited reference is believed not to disclose or suggest the invention recited in the claims of the above-identified application. It is therefore believed that the claimed invention is patentably distinguishable over the cited reference.

The \$180.00 fee required under 37 C.F.R. § 1.17(p) for submission of an IDS after receipt of a non-final Office Action has been debited electronically from Barnes & Thornburg LLP Deposit Account No. 10-0435, with reference to our matter 41594-200407, at the time of filing the instant IDS. The Commissioner is hereby authorized to charge any additional fees that may be required, or credit any overpayment of fees, to Deposit Account No. 10-0435, with reference to our matter 41594-200407.

Respectfully submitted,

---
